TO: ALL PARKS AND RECREATION DEPARTMENT
VOLUNTEER COACHES

FROM: MARIO BAZILE, DIRECTOR

SUBJECT: ABUSE OF OFFICIALS

Over the years we have experienced problems with volunteer coaches at athletic events who are expressing their boisterous displeasure with game officials.

Please be advised that this practice is unacceptable and will not be tolerated. Any coach found to be voicing his or her displeasure with game officials would face disciplinary action up to suspension from coaching.

Please realize we are setting a poor example for our players and inciting fans in a negative way. Not only does this not help calm down situations, but to the contrary, makes a bad situation even worse.

Again, in closing let me stress that any coach who is found to be verbally abusing officials will be dealt with accordingly. Your cooperation in this matter is appreciated.
